

**LOS ANGELES AFB CHILD DEVELOPMENT CENTER  
CLOTHING AND SUPPLY POLICY AGREEMENT**

The Los Angeles Air Force Base Child Development Center's number one goal during each child's enrollment is safety. By reviewing and signing this memo you are agreeing to assist in helping the CDC accomplish this goal. This memo will be in effect during the duration of your child's enrollment at the CDC.

1. Jewelry and hair clips are not encouraged to be worn at the CDC. The center is not responsible for any missing valuables. Necklaces and bracelets are not permitted in the center, they are considered strangulation items. Earrings, hoops or studs are also considered a choking hazard and a safety concern if not properly worn. **PLEASE KEEP ALL VALUABLES AT HOME.**
2. Children one year and older should have proper attire for indoor and outdoor activities when arriving to the CDC. This includes clothing that is accessible for children who are toilet training, and are encouraged to use self-help skills.
3. Children who are not toilet trained must wear disposable diapers or pull-ups at all times. Be sure your child(ren) has an ample supply of diapers, pull-ups and wipes to last the time you expect him/ her to be in the center. If your child is toilet trained please make sure he/she has the appropriate amount of undergarments while at the center. Courtesy reminders are given when your child is running low on supply, however it is the parents responsibility to check their child(ren)'s supply weekly to prevent care exclusion. **Please be sure to label your packs of diapers and wipes.**
4. Please provide at least **2 sets of extra clothing (shirts, pants, and socks)** and **1 pair of extra shoes** at all times. Be sure to check your child's cubby periodically to update the clothing based on size and weather.
5. To prevent any safety mishaps all children one year and older, and walking babies must wear closed toed shoes. Flip flops and shoes that do not properly fit the child(ren) will be asked to bring in another pair or be picked up from the center.
6. All children's belongings must be labeled before being brought to the center. We are **NOT** responsible for the loss of clothing and/or other personal items.

---

I understand and will follow the Los Angeles Air Force Base CDC's clothing and dress policy.
